ORDER

Adopted: January 7, 2000

Released: January 11, 2000

By the Chief, Market Disputes Resolutions Division, Enforcement Bureau:

1. On June 17, 1993, Petroleum Communications, Inc. (PetroCom) filed the above-captioned complaint against Southwestern Bell Telephone Company (SWBT) regarding the provision of existing cellular interconnection arrangements in the Gulf of Mexico cellular service area. On January 7, 2000, PetroCom filed a Motion for Withdrawal of Complaint and Related Pleadings, requesting that the complaint be dismissed.

2. We are satisfied that dismissing this proceeding will serve the public interest by promoting the private resolution of disputes and eliminating the need for further litigation and the expenditure of further time and resources by the parties and by the Commission.

3. Accordingly, IT IS ORDERED, pursuant to Sections 4(i), 4(j), and 208 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 154(j), and 208, and the authority delegated under Sections 0.111 and 0.311 of the Commission's rules, 47 C.F.R. §§ 0.111, 0.311, that PetroCom's Motion for Withdrawal of Complaint and Related Pleadings IS GRANTED.

4. IT IS FURTHER ORDERED that the above-captioned complaint IS DISMISSED WITH PREJUDICE and that the proceeding is TERMINATED.

FEDERAL COMMUNICATIONS COMMISSION

Glenn T. Reynolds
Chief, Market Disputes Resolution Division
Enforcement Bureau
